This limited warranty extends to the Consumer purchaser to whom the Product was first delivered in a new and unused condition and who places such Product in service (the "Consumer"). Consumer's sole remedy for a breach of this warranty by Metsa shall be for Metsa, at its option, to repair or replace without charge, any defective item covered by this limited warranty.

If the Consumer believes that any part of the warranted Product is defective, Consumer must give written notice to Metsa at the address appearing below before the expiration of the warranty period, providing details as to date and place of purchase, serial number and any alleged defect. If the Product is determined to have a warranted defect following Mesta's inspection, Metsa will give written instructions to the Consumer regarding the manner in which the defect is to be repaired or replaced. Consumer may be requested to return the item at Consumer's expense, but no such return should be made until Consumer has received instructions from Metsa. If Consumer has to incur in any labor fees, Metsa may refund at a rate of \$35 USD per hour. If in some case gas is lost, a 5% of tank working volume (80%) will be compensated at EIA price.

This limited warranty gives you specific legal rights, and you may also have other rights, which vary, from State to State.

This limited warranty is made only to "consumers" and applies only to "consumer products". For these purposes, a "consumer product" is any tangible personal property, which is normally used for personal, family or household purposes. A "consumer" is a purchaser (other than for purposes of resale) of any consumer product, any person to whom the consumer product is transferred during the duration of an implied or written warranty and any other person who is entitled under the terms of this limited warranty or under applicable state law to enforce the warranty applicable to consumer products.

***Paint warranty exception clause.** METSA tanks shipped to and used in environments that may cause premature corrosion. METSA reserves the option to void our paint warranty policy for tanks shipped and placed in corrosive environments such as but not limited to coastal areas, areas affected by high snow and where salt is used on roads, wetlands, etc. METSA will notify each specific customer in advance if there may be a paint warranty exception based on the region the METSA tanks were shipped to and the serial numbers of the specific tanks identified. Tanks painted or repainted by Customer will void valve or gauge warranty.

***Valves and gauges exception clause.** Valves and gauges removed, reinstalled, changed or replaced by customer

By signing this document, the Customer acknowledges to have read and accepted METSA's Terms & Conditions and Warranty Policy for all orders placed in 2023.
